

10 STRAIGHT LOSS POLICY

WVAC Policy #092718-2

At an open meeting of the West Virginia Athletic Commission on September 27, 2018 the 10 Straight Loss Policy is amended to read:

*Boxers having more than 9 straight losses **as verified by Fight Fax** will only be approved for bouts with other boxers having more than 9 straight losses **as verified by Fight Fax**. This policy will promote safety, more evenly matched bouts, and give boxers with losing records the opportunity to improve their win:loss ratio.*

This policy will remain in effect until rescinded or amended.
